"Our services are lavish and august."

Our impressive Art House is situated in the heart of the champagne domain of Burgundy. Our Chateau Estate is a landmark in itself, comprising of gracious designer chateaus that are home to our artisans and product inventors, glass sculpted houses and fine trade. Our regal estates and Art Homes now extend to Vienna, London and Japan forming an exclusive opulent collection of luxurious boutiques, art houses, light gardens, galleries and grand exhibition halls.

Discover the appealing Arts of our seven Atelier founders and be consumed by their technical skill and gift for fine art and haute collections

Discover our regal Sound stages and stadiums in our Viennese Art Houses of Sound

Discover our Cinema, Art and Media distribution channels at our production showrooms and imperial theatre Houses of Burgundy, Vienna, London and Japan.

"Discover our rare and exceptional collection of gifted artists, soloists and orchestras from the Montpellier Chanson Music & Sound labels."

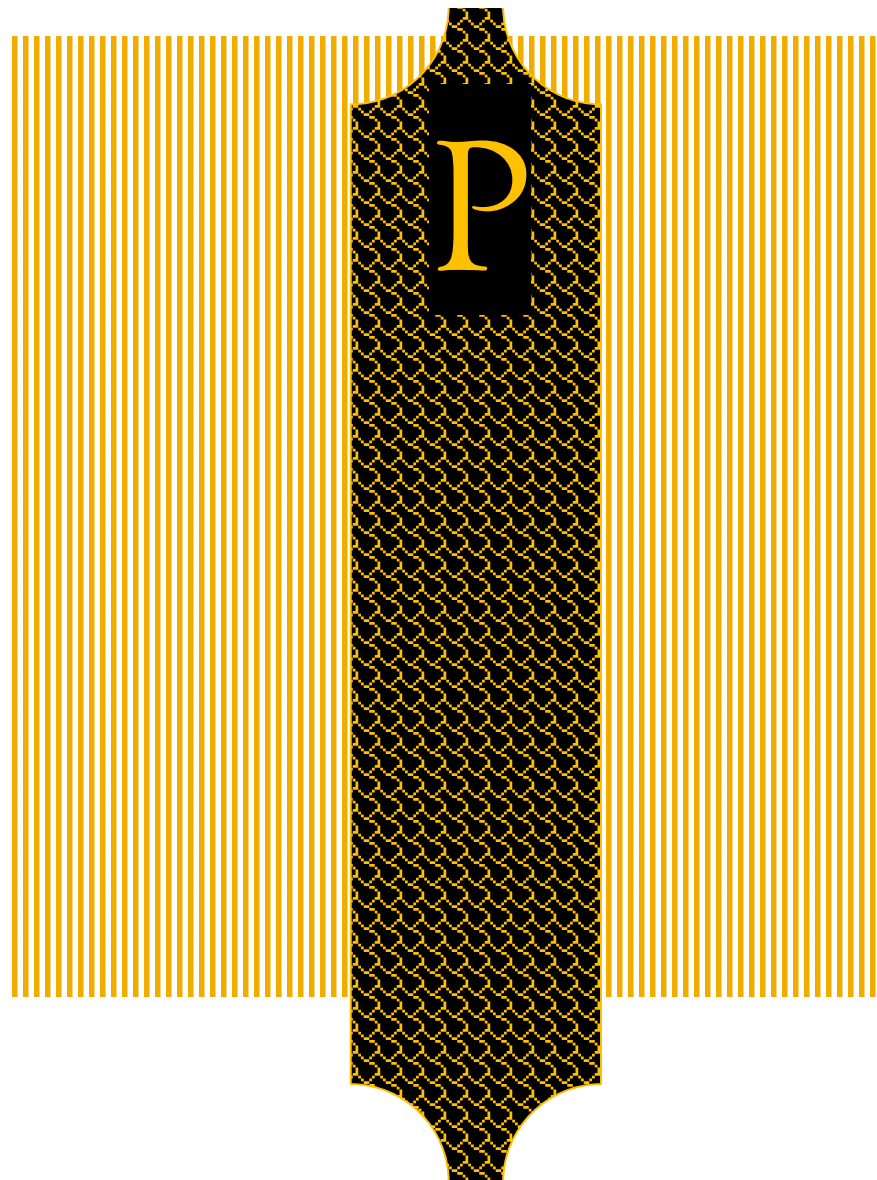

Discover ravishing retail boutiques on location and powerful on-line interaction with our Royal Arts Bazaar live from France to where you are every Saturday.

Discover our seven learning academies of research, design, technical engineering and training within the Arts for the gifted

We are international Art enterprises and apprenticeships in one

The long-standing traditional works of our Ateliers are three generations of Smithsonian's, steelmakers, champagne and wine merchants and experts of cloths, weaving and couture to the Royal Courts of Burgundy. As heirs of this dynastic heritage, we combine our ancestral enterprises of cultural achievements, rare works, fine art, lavish lifestyle services and artisan apprenticeships to produce a luxurious art trade.
